COMING TOGETHER OF TEAM INDIA

- Athlete-first is the Government's credo and India's Olympic campaign
- Teams of officials, both in Government and outside, have strained every sinew in making sure that the Indian athlete stays focussed on the task on hand – that of delivering the best showing in Tokyo
- Ministry of Youth Affairs and Sports (MYAS) back the National Sports Federations with budgets to support their Annual Calendar for Training and Competition (ACTC) for athletes
- MYAS approves ACTC budget towards National Coaching Camps (Senior and Junior), Overseas Training Camps (Senior and Junior), Remuneration for coaches and support staff, domestic competition (Senior and Junior), equipment and consumables, coach, referee and technical official development as well as administrative support

More than 99 percent athletes have got the first dose and more than 60 percent athletes have got the second dose of Covid-19 vaccine

- MYAS extends support to individual athletes with their training and competition under the Target Olympic Podium scheme when that is not provided for in ACTC
- As many as 160 athletes are part of the Core group and a further 259 are in the Development Group, preparing for the 2024 and 2028 Olympic Games
- Government ensured National Camps resumed in a safe and secure manner in the National Centres of Excellence after the lockdowns in the wake of Covid-19 across the country
- Working with NSFs and the Indian Olympic Association, Government ensured that the contracts of 43 overseas coaches and support staff were extended
- Vaccination programme for India's Olympic Games-bound athletes and officials, including overseas staff, was carried out seamlessly both in India and overseas

Rs 1091.52 CRORE

Budget allocation for NSFs of 18 Olympic disciplines & Paralympic Committee (2016-21)

Rs 78.13 CRORE

TOPS Total Sanctioned Expenditure for 18 Olympic disciplines and Para Sports from 2016 to 2021

TARGET OLYMPIC PODIUM

SOME OF THE SPECIALISED SUPPORT

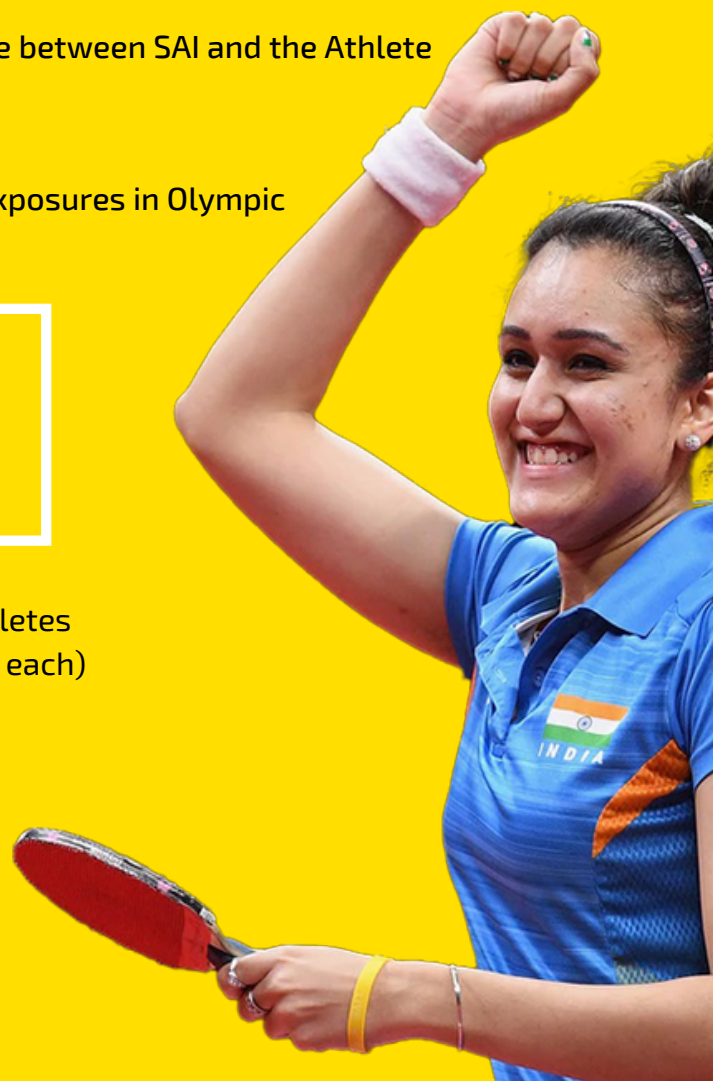

- Professional set-up which is athlete centric and involves potential based selection, data analysis & research, athlete planning & athlete relationship management
- Personalised coaching support from best global coaches
- International training sessions
- Extraordinary Visa facilitation support for the athletes
- Each reasonable request made by an athlete was met with a positive and quick response
- Top-of-line research support to track opponent performances
- Dedicated athlete relationship manager as a bridge between SAI and the Athlete
- Personalised Sports equipment support
- Foreign Exposure – Approximately 320+ Foreign exposures in Olympic disciplines in the last 3 years

RS 44.41 CRORE

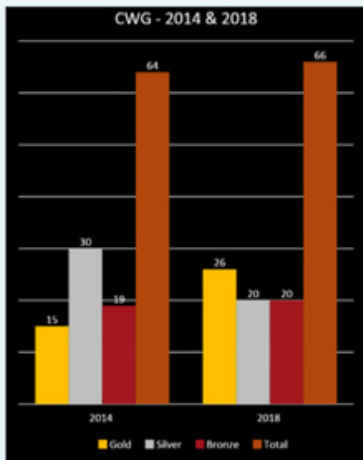

TOPS Funding for 32 Olympics bound athletes in seven disciplines since 2016

Currently the TOPS core scheme has 124 individual athletes plus the men's and women's hockey teams (18 players each)

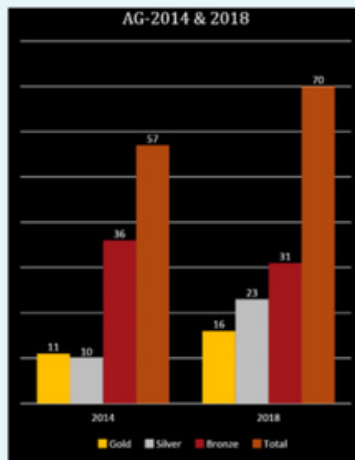

The government has supported many of our major athletes through not just out of pocket allowance but also key interventions such as helping procuring international visas at the time of Covid-19 and procuring equipment through the lockdown

FINANCIAL SUPPORT

Around Rs. 26 crores have been spent for the para sports in the current Olympic cycle. A total of Rs. 6.1 crores has been spent under TOPS on the current core athletes in form of support towards foreign exposure, equipment, sports science services, coaching and out of pocket allowance

A total of Rs. 19.83 crores have been spent under ACTC towards participation in competitions, foreign & domestic training camps, hiring of coaches & experts and procurement of equipment

BEYOND TOKYO 2020

NATIONAL CENTRES OF EXCELLENCE

These have been upgraded, including complete sports science facilities, to help athletes prepare for 2024 and 2028 Olympics

PATIALA

(Gymnasium, Physiotherapy Centre and Dining Hall of NCOE Patiala)

- *SAI has established 23 National Centers of Excellence across the country for focused sports-specific training of elite athletes*
- *384 Sports Science experts monitor and facilitate the training of athletes, including 97 physiotherapists*
- *Sports science equipments worth Rs. 80 crores has been sanctioned to procure*

BENGALURU

(Dining Hall of NCOE Bengaluru)

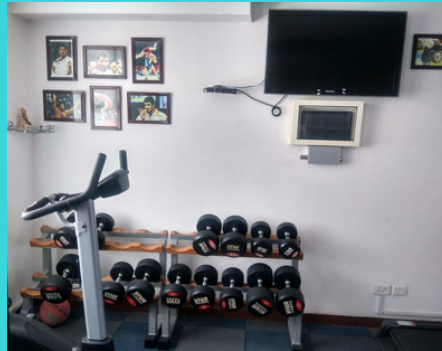

LUCKNOW

(Gymnasium facilities, wrestling ground and sports rehabilitation centre at NCOE Lucknow)

- *To ensure diet as per requirement of every athlete, top-of-the-line chefs from the hospitality industry have been hired at all NCOEs. Nutritionists offer personalized diet charts to all elite athletes, as per their sport*
- *Hostel capacity increased from 4000 beds to 8000 beds*
- *200 ex-international athletes being hired as coaches to strengthen the sports ecosystem*
- *Coaches who are part of the system are being imparted High Performance Coach Education Programme to ensure they are at par with leading coaches of the world. 30 select coaches to be trained by a pool of 250 experts in every batch*

SONEPAT

(Facilities in SAI NRC Sonapat)

KHELO INDIA

KHELO INDIA

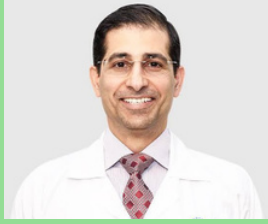

The Khelo India scheme with 12 verticals aims at strengthening the entire sports ecosystem to promote the twin national objectives of mass participation and excellence in Sports

- The Annual Sports competitions organized under the aegis of Khelo India offer a platform for Talent identification and create aspirational value for Athletes. So far 4 such events have been organized
- 3000 Khelo India Athletes have been identified and are provided 10,000 per month OPA
- 235 Academies have been accredited for Talent Development and are provided support @ Rs 5 lakh per annum per athlete for various components such as coaching, equipment, kitting etc.
- In an endeavour to upgrade one existing centre in each state to world class level , 24 KISCE (Khelo India Centres of Excellence) have been established in 23 states/UTs
- To develop talents at grassroots level, 1000 KIC (Khelo India Centres) to be set up with at least one in each district with a provision to engage ex-champions where an amount of upto Rs 3 lacs is earmarked for such coaches annually, this is basically a livelihood opportunity for them as well

Dr. SKS Marya

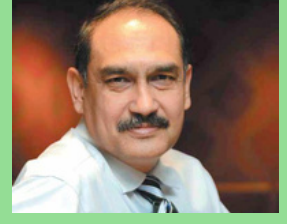

Dr. Dinshaw Pardiwala

Dr. Anant Joshi

Dr. VK Srinivas

Dr. Harsh Mahajan

CENTRAL ATHLETE INJURY MANAGEMENT SYSTEM

- A long-pending need in the Indian sports landscape, the Central Athlete Injury Management System will enable standardised, quick, appropriate and monitored response to an athlete facing an injury
- It will help athletes and coaches at all levels even with injury prevention methods while it brings together an array of experts at the regional and national levels to help an athlete secure treatment and manage rehabilitation

RAISING COACHING STANDARDS

- To strengthen the coaching ecosystem in India, Sports Authority of India has launched a High-Performance Coach Education Programme at the National Centre for Sports Coaching (NCSC), under the aegis of NSNIS Patiala
- Many former international-level players will become qualified coaches and will allow India to have a majority of home-bred coaches and a few foreign coaches as the right mix at the highest level

INSURANCE COVER FOR ATHLETES

The Sports Authority of India will extend medical and accident insurance cover to more than 13,000 athletes, coaches and support staff from this year. This is in keeping with the Ministry of Youth Affairs and Sports decision to ensure the safety and well-being of all athletes and support staff in the wake of the Covid-19 pandemic in India

PENSION FOR FORMER INTERNATIONALS

Hundreds of former internationals draw monthly pension from the Ministry
